# V<sup>x</sup> 610 PORTABLE POWERHOUSE

## Wireless That Works.

The battery-powered V<sup>x</sup> 610 is an ideal payment solution for anyone requiring payment acceptance in a temporary location, or for businesses on the go. The latest wireless technology coupled with the V<sup>x</sup> 610's all-in-one design eliminates the need for cords, dongles and charging bases, giving you more mobility and hassle-free performance than ever before.

### V<sup>x</sup> 610 GPRS/CDMA CELLULAR SOLUTIONS

The V<sup>x</sup> 610 utilizes GPRS/CDMA cellular technologies for always-on connectivity—an ideal solution for:

- Outdoor Markets • Golf Courses • Taxis
- Home Services • Sporting Events • Delivery Services
- In-store line busting during peak hours

### V<sup>x</sup> 610 WIFI SOLUTION

The V<sup>x</sup> 610 WiFi uses the latest WiFi technology for short-range communications—an ideal solution for value-added applications like:

- Gift Cards • Loyalty • Electronic Check
- Stored Value • Age Verification

## Portable payment acceptance with the V<sup>x</sup> 610

### FEATURES AND BENEFITS

**Expand the point of sale** – accept credit and debit cards anywhere, anytime with cellular communication technologies

**Increase flexibility** – instantly add an extra lane during sales, busy seasons or peak store hours

**Save on counter space and reduce clutter** – no need for clumsy, expensive docking stations or power cords

**Reduce waiting times** – “always-on” IP connection and lightning-fast processing (2 to 4 seconds) means customers spend less time waiting to pay

**Experience a user-friendly environment** – ATM-style interface, large keys and large backlit display with ergonomic design make it easy to operate

**Eliminate paper jams** – high-speed thermal printer with “clam shell” design and drop-in paper loading plus large paper roll virtually eliminate jams

**Enhance customer service and increase revenue** – supports value-added applications such as gift card, loyalty, electronic check, stored value and age verification

**Support all-day use in the field** – long-life battery supports transactions for extended periods of time

**Connect in hard-to-reach areas** – industry-leading antenna performance provides phenomenal connectivity

**Keep your business and customers secure** – PCI PED approved PIN pad allows clerks to easily hand over the device to customers for secure PIN entry

**Future-proof your investment** – modular design allows you to change or upgrade to the latest technologies
