

Fit for purpose.

# COMMANDER EF

Commander EF utilizes Verifone’s fit for purpose Commander hardware and our state-of-the-art forecourt and electronic payments software to deliver a comprehensive solution that maximizes uptime. Commander EF delivers the fastest transaction times in the industry, even in the most complex environments, with multiple dispenser types, multiple loyalty programs, media, and mobile payments all running at once.

- Fastest transaction times for the most complex forecourt and payment environments
- Utilizes standards from IFSF and Connexus for payment, forecourt control, loyalty and mobile payment,
- Easily connects to any POS enabling quick and seamless boarding of new loyalty and mobile payment providers.
- Built-for-purpose hardware for increased up time and reliability
- Vast network of certified payment, mobile payment, and loyalty partners across the industry

<b>Memory</b>	8GB DDR4 SoDIMM
<b>Processor</b>	Intel® Pentium Gold G5400T Dual Core 3.1GHz CPU
<b>Operating System</b>	Secure real-time Linux
<b>Diagnostic Panel</b>	7-Segment Status LEDs   Diagnostic Console Port   Diagnostic Switches   Heartbeat LED   Power LED   Soft Reset Button
<b>Connectivity</b>	1 × USB 3.1 Port   2 × 10/100/1000 Ethernet Ports   16 × RJ-45 RS-232 Serial Ports   Scalable to 24 RS-232 Ports
<b>Power</b>	Backup Battery

<b>Peripheral Ports</b>	Expansion: 2 Hard Drive Slots   Expansion: 2 Slots for Additional CPU Functionality   Expansion: 3 PCIe Peripheral Card Slots
<b>Physical</b>	14.75" W × 6.25" H × 16" L
<b>Environmental</b>	Operating Temperature: 0° to 40° C (32° to 104° F)   Storage Temperature: -20° to 60° C (-4° to 140° F)   Relative Humidity at 40° C (104° F): 15% to 95%, Non-condensing
<b>Storage</b>	HDD or SSD, 120 GB or greater
<b>Optional Features</b>	Communications: Software-controlled 12V DTR Power
