

PINPAD 1000SE

FULLY SECURE, CUSTOMER-CENTRIC DESIGN

The new, ergonomic, palm-shaped grip design of Verifone's best-selling PINpad 1000SE is easy to use and extremely secure. The PINpad 1000SE features integrated contactless and can be installed in a variety of locations, either fix mounted or with countertop stands. This PIN pad is a convenient, cost-effective choice for any merchant.

FLEXIBLE FUNCTIONALITY

- Oversized keys minimize entry errors
- Optional privacy shield offers additional security protection
- Easy connectivity via USB and serial port to PCs, ECRs and existing POS devices
- Durable, consumer-friendly design with large key pad and no-slip grip
