

T650c

The next-generation countertop commerce solution.

The Verifone® Trinity T650c offers turnkey integrated POS, payment services and reporting. With a large, vibrant display, easy screen rotation, and front and forward facing cameras, the T650c provides ease of viewing and flexible payment options.

- Stunning 5.5" capacitive touch screen
- Full-motion video support with high-quality audio
- 5MP camera ideal for scanning and accepting alternative payment methods
- Fewer printer roll changes thanks to larger paper roll
- Proprietary solutions for the visually impaired
- Android OS
- Security where you need it with Verifone's locked down version of Android
- Utilizes the power of Verifone Cloud Services for customization and estate management
