

# e280

## The most flexible mobile payment solution you'll find.

The e280 is Verifone's perfect companion device with ultimate flexibility. From micro-merchants to tier 1 retail, everyone will find something to love in this ultra-modern mobile payment device. The customer-friendly 3.5" color touchscreen supports easy on-screen interaction, signature capture and secure PIN entry. It supports Bluetooth® with low energy, WiFi, and meets PCI 5.X SRED requirements for maximum security.

- Part of Verifone's Engage portfolio for easy development, integration and deployment
- All payment types: NFC/CTLS, mobile wallets, EMV, and magstripe
- Long lasting battery provides all-day coverage
- iOS and Android POS software solution available for micro-merchants and small businesses
- Accessories support all tiers of mobile retail: barcode scanner/Pod/smartphone/tablet sleds, stands and gang chargers
