

Commerce-building countertop solution.

# T650c

The Verifone T650c offers turnkey integrated POS, payment services and reporting. With a large, vibrant display, customer-friendly screen rotation and front and forward-facing cameras, the T650c provides easy viewing and flexible payment options to engage customers and grow commerce in new and exciting ways.

- 5.5" Capacitive color touch screen with screen rotation
- Full-motion video support with high-quality audio
- Verifone's proprietary Navigator solution for the visually impaired
- 5MP camera ideal for scanning and accepting alternative payment methods
- Fewer printer roll changes thanks to larger 50 mm paper roll
- Security where you need it with Verifone's locked down version of Android
- Verifone's locked down version of Android based on Android 8.x
- Utilizes the power of Verifone Cloud Services for further customization and to add revenue building streams like eCommerce, Pay-by-Link, Advanced Payment Methods and more.
