

A perfect companion device.

e280s

A perfect companion device with ultimate flexibility, the Verifone e280s is a great solution for merchants of all sizes - from micro-merchants to tier 1 retailers. The customer friendly 3.5" color touchscreen supports easy onscreen interaction, signature capture and secure PIN entry. Everyone will find something to love in this ultra modern mobile payment device. It supports Bluetooth®, dual-band WiFi and meets SRED requirements for maximum security. Pair the e280s with any phone or tablet, any POS and various accessories to create the perfect mobile solution for in-aisle or kiosk experiences.

- Full-color touch screen display to promote loyalty, seasonal sales and more
- Integrated scanner for APM acceptance, barcode scanning and more
- Accepts NFC/CTLS, MSR, EMV and mobile wallets
- Powerful re-chargeable battery for extended use
- Accessories available to support all tiers of mobile retailing: tablet sleds and stands
- Part of Verifone's Engage portfolio easy development, easy integration
- Utilizes the power of Verifone Cloud Services for customization and estate management
