

The mPOS device that provides endless experiences.

e285

Provide your customers endless experiences with the Verifone e285, an integrated mPOS device with WiFi and Bluetooth communication options, allowing secure payment acceptance anywhere without dependence on a smart device. The solution features a color touch screen capable of signature capture and is built on the Verifone Engage platform, enabling rich customer interaction at the point of sale.

- Full-color touch screen display to promote loyalty, seasonal sales and more
- Accepts NFC/CTLS, MSR, EMV and mobile wallets
- Large field-replaceable battery for extended use
- Use of USB-C connector or Bluetooth® pairing, providing reliable setup and connectivity to smart devices
- Part of the Verifone Engage portfolio, leveraging the power and performance of our latest V/OS in a modern application environment

Display	2.8" Color LCD Capacitive Touch 320x240 Resolution
Accessibility	ADA Compliant Tactile 15-key Keypad
Multimedia	Audio: Buzzer
Memory	512MB Flash, 512MB DDR
Processor	ARM Cortex-A9, 32-bit RISC
Operating System	V/OS2 (Linux Based) + ADK
Card Readers	MSR: ISO 7810, 7811, 7813
Contactless	EMVCo Compliant Supports Major NFC/Contactless Schemes
Connectivity	Bluetooth® v4.2 WiFi: Dual-band 802.11 a/b/g/n/ac

Peripheral Ports	USB-C
Power	Battery: 3.8 V/1800 mAh Li-ion Field Replaceable Rechargeable
Physical	138mm L × 68mm W × 18mm H Weight 190 g
Environmental	Operating Temperature: 0° to 50° C (32° to 122° F) Storage Temperature: -20° to 60° C (-4° to 140° F) Relative Humidity: 5% to 90%, Non-condensing
Security	PCI 5.x Approved
Other Standard Features	Wired: USB-C connector supports charging and connection to iOS, Android, and Windows MFi-certified
